

ANIS SOFIYA BINTI MA'AROF

Junior Mobile / Front-end Developer

Bandar Baru Bangi, Selangor | +60 14-243 6224 | sofiyamaarof@gmail.com | <https://www.linkedin.com/in/anissofiya>

PROFESSIONAL SUMMARY

Junior Mobile / Front-end Developer with 1.6 years of experience building responsive websites and cross-platform applications for Malaysian SMEs. Skilled in Vue.js, Nuxt, React, Flutter and REST API integration. Involved and delivered 6 projects at AFED Digital Sdn. Bhd., including JobGiga, a live job-seeking platform, and Mr. Churros brand website.

TECHNICAL SKILLS

Languages: HTML5, CSS3, JavaScript, TypeScript, Dart, SQL.

Frameworks & Libraries: Vue.js, Nuxt, React, Tailwind CSS, Flutter, Shadcn UI, Inspira UI, GSAP.

Tools & Platforms: Github, Figma, Cursor IDE, WordPress, Cloudflare, Postman, TablePlus, Firebase, MySQL, OrbStack, Chrome Lighthouse.

OTHER SKILLS

- Proficient in communicating and writing Malay and English language.
- Remote collaboration across distributed teams using Microsoft Teams, Github, and ClickUp.
- Self-directed learner, pick up new frameworks and tools independently through courses and hands-on projects.
- Attention to detail, pixel-accurate implementation of design mockups from Figma into code.
- Managing concurrent workstreams and shifting priorities across multiple projects with different tech stacks (Vue.js and React).
- Familiar in Data Visualization: Tableau.

WORK EXPERIENCE

Software Developer — AFED Digital Sdn. Bhd.

Dec 2024 – Jul 2026

- Developed the responsive front end for **JobGiga**, a job-seeking platform spanning 4 major user modules — jobseeker portal, employer, interview panel, and admin dashboard, plus the public landing page, using React, Tailwind CSS, and Shadcn UI component library.
Link: <https://jobgiga.com>
- Developed the responsive **Mr. Churros brand website** in 1.5 months using Vue.js, Nuxt, Tailwind CSS, and GSAP including integration with Mr. Churros's ERP system and optimize its performance, raising the Chrome Lighthouse score from 60+ to 90+.
Link: <https://mrchurros.com.my>
- Developed 2 responsive versions of **AFED Digital corporate website** — v1 in 1.5 months covering requirements, design, development, and deployment; v2 over 3 months of iterative, feedback-driven development using Vue.js, Nuxt, Tailwind CSS and other supporting UI component libraries.
Link: <https://afeddigital.com>
- Developed the first-draft landing page for **DAMA Kuala Lumpur & Selangor corporate website** in WordPress, implementing the Figma design given.
- Revamped the new look of **AFED Holdings corporate website** in 2 months while concurrently managing tasks across 4 other projects (DAMA Kuala Lumpur & Selangor, JobGiga, and updates to the AFED Digital and Mr Churros sites).
- Built a **cross-platform mobile app** for one of the modules in Mr. Churros's ERP system in 3 months using Flutter and Riverpod, including translating the existing web design into a mobile-friendly UI/UX.

Software Engineer Intern — Finexus Group

Jul 2023 – Sep 2023

- Configured and set up the project environment on local device using software application such as Eclipse, Microsoft SQL Server Management Studio and PuTTY.
- Mapped data between various databases, ensuring accurate and efficient data flow, which involved aligning data fields between source and target destination.
- Applied existing standard SQL configurations to enable a button in the website to display data from the source table.
- Conducted manual testing on the website, documenting test results and marking outcomes as pass or fail according to the provided test scripts.

EDUCATION

Bachelor of Computer Science (Software Engineering) (Hons) — Universiti Tenaga Nasional 2021 – 2024
CGPA: 3.88 | MUET: Band 4 | Final Year Project: MyZooAR — AR navigation app for Zoo Negara (Flutter, Unity, ARCore, Firebase)

Foundation in Computer Science — Universiti Tenaga Nasional 2020 – 2021
CGPA: 4.00

Sijil Pelajaran Malaysia — MRSM Gemencheh, Negeri Sembilan 2015 – 2019
Result: 9A 2B

INVOLVEMENT

PROFESSIONAL

- MoU, VIP and Partnership Usher at Offshore Technology Conference (OTC) Asia 2026, Kuala Lumpur Convention Centre — Assisted in 7 MoU signing ceremonies involving VIPs and partners including Microsoft Malaysia, Beicip Franlab Asia, and Eliis.
- QHSE Committee Member (Sports & Recreation Unit), AFED Digital — Organized weekly sports sessions and competitions, hiking trips, and staff participation in external fun runs.
